

# CHI Montessori Teacher Training Institute

## Teacher Education

CHI Montessori Teacher Training Institute offers a Montessori teacher education program that leads to international certification. Each candidate has the opportunity to develop new insights into how children learn and grow. Candidates will learn about the importance of the prepared environment as an essential element in the teaching-learning equation.

Our program provides PAMS Montessori teacher training to candidates interested in obtaining credentials in:

Montessori Early Childhood  
(2.5 through 6 years of age)
