

## Coronavirus (COVID-19) Information

**To keep our facility, staff, children, and community safe, please do not enter the building if:**

- ✓ You have tested positive for COVID-19
- ✓ You or anyone in your household have been tested for COVID-19
- ✓ You or anyone in your household think they could have COVID-19

You or anyone in your household **(including children)** have these symptoms or have been in close contact with anyone with these symptoms, you may not enter for 14 days:

- ✓ Fever
- ✓ Cough
- ✓ Shortness of breath
- ✓ Difficulty breathing
- ✓ Respiratory symptoms
- ✓ At least two of the following symptoms: chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell

**If you have any of these symptoms, contact a health professional.**

**Be aware, you are at higher risk if you are:**

- ✓ Age 65 years or older
- ✓ Pregnant (It is not yet known if pregnant women are high risk but pregnant women should protect themselves from all infectious diseases)

**...or have any of these health conditions:**

- ✓ Chronic illness such as lung disease or moderate to severe asthma
- ✓ Heart disease
- ✓ Immunocompromised, including those undergoing cancer treatment
- ✓ Severe obesity
- ✓ Diabetes
- ✓ Renal failure
- ✓ Liver disease

**Staff concerned about being at risk should discuss with their supervisor.**

**Enhanced Sanitation and Hygiene Procedures have been implemented.**

**Each room is limited to 50 persons unless six feet of distance is maintained between each person.**

**Staff will conduct a standard Daily Health Check on every child, every day and exclude if he/she:**

- ✓ Has a temperature above 100.4 and symptoms described above
- ✓ Is unable to participate in activities as normal
- ✓ Needs more care than staff can provide without compromising the health and safety of others

**Staff will also check for signs of illness periodically throughout the day for these symptoms.**
