CHI Montessori Academy is an academic program that requires tuition payment at the beginning of each month and payable in guaranteed funds (cash, check, money order, CashApp, Zelle, ProCare, Tuition Express, bank draft) by the 5th of the current month. Tuition paid after the due date incurs a late penalty of \$50. In addition to tuition, an enrollment fee of \$200.00 is required annually for each student and is due with the submission of this form.

Parents are welcome to prepay the full tuition amount per semester (Aug. to Dec. or Jan. to May) and will receive a 5% discount toward their tuition cost. Families who prepay the entire annual tuition will receive a 10% discount on the tuition amount. Any family with two or more children attending CHI Montessori is eligible to receive a 10% discount on the youngest child's tuition. One of the available discounts per family may be applied.

Payment is expected in advance and will not include deduction for accrued absences, holidays, or closures due to inclement weather, power outages, or other circumstances beyond our control.

Aftercare will be available at an additional cost of \$200 per month. These fees are due with tuition by the 5th of each month. A late fee of \$1 per minute, per child is due if your child is not picked up by 5:30 pm. Three late pick-ups will result in possible expulsion from the afterschool program. Aftercare will no longer provide drop-in services.

Please relay any inquiries regarding tuition or payments to Ms. Sharon Suitt, Director of CHI Montessori.
